

USER STORIES

- As a **user creating a new account**, I need to be **notified clearly** if I am making any **errors**, so that I can **fix them quickly**.
- As a **customer**, I need to **authenticate** myself so that I can see my **account details** and **past purchases**.
- As a **customer**, I want to **add the products** I'm interested into to a **cart**, so that I can **come back** for them **later**.
